Objective

A clear mindset to achieve the best goal that aligns with the organisation that I am committed to bring results. I like to take initiatives, support subordinates and constantly unlearn and relearn.

Experience

Executive Assistant to AVP Office
05-10-2026 - Present
MS GES
• Provide executive support to the Associate Vice President in managing priorities, schedules, meetings, correspondence, and day-to-day business activities.

• Coordinate with internal teams and external stakeholders to ensure timely communication, follow-ups, and execution of key assignments.

• Prepare and organize reports, presentations, meeting briefs, documents, and other management-related materials.

• Track action items, deadlines, and deliverables, ensuring timely follow-up and closure.

• Support the Associate Vice President in strategic initiatives, project coordination, business operations, and management activities.

• Handle sensitive information and executive communications with a high level of confidentiality, professionalism, and discretion.

• Assist in research, data compilation, analysis, and preparation of insights to support management decision-making.

• Act as a coordination bridge between leadership and relevant teams, facilitating smooth information flow and effective execution.

• Support special projects and ad-hoc assignments requiring cross-functional coordination, problem-solving, and attention to detail.

Human Resource Consultant
28-03-2026 - 30-09-2026
YFYD
Drove HR structuring initiatives at YFYD by building SOPs and streamlining recruitment systems. Played a key role in interviews, candidate evaluation, and strengthening the organization's hiring process.
